JOHN R. KASICH, GOVERNOR

April 12, 2017

Dear Stakeholder,

As many of you know, ERAC will soon be relocating offices at the request of Ohio DAS. We are currently reaching out to stakeholders to provide information regarding the details of our move and our new location.

Between May 8 and 9, 2017, ERAC will move its offices to 30 East Broad Street, 4th floor, Columbus, Ohio 43215. The new office is located behind the Ohio Civil Rights Commission in the Rhodes State Office Tower. A floor map is attached for your convenience. Office hours will remain 8:00 am through 5:00 pm Monday through Friday. For security purposes, the front door will be locked and a buzzer will notify staff to let parties into ERAC's reception area.

ERAC staff will make every effort to accept filings at both locations on May 8 and 9, 2017. However, parties should note that from May 4 through May 9, 2017, ERAC members and staff may have intermittent phone and email service. If you have a deadline on those dates, you may wish to file before then to ensure compliance.

At the new location in the Rhodes Tower, ERAC will no longer have a dedicated hearing room. To conduct hearings and oral arguments, ERAC will use a combination of rooms with varying levels of space and features. Therefore, if you have any special needs for hearings scheduled after May 8, 2017, please notify the staff as soon as possible. ERAC is attempting to secure a dedicated or prioritized hearing room for scheduling hearings; but until then, patience and flexibility on your part will be appreciated.

We appreciate your patience through this move. This letter will be posted on the ERAC website. If you have questions, please contact me or Jonathan Hsu at 614-466-8950.

Sincerely,

Julie Slane, Executive Director
